

PUBLIC SECTOR EMPLOYEE VIEWS ON COVID-19

report that they and their family have been **negatively impacted financially** by the COVID-19 pandemic.

OVER THE COURSE OF THE NEXT YEAR...

26% expect they will **reduce the amount they are saving for retirement** currently.

59% expect they will **spend less than normal** (on either essential or non-essential expenses) in comparison to what it would have been had the pandemic not occurred.

85% report that the pandemic has **impacted the nature of their job** (e.g., what they do, where they work, how they go about the tasks required).

74% report at least some remote work currently.

74%

are concerned that the pandemic and the related economic crisis will impact being able to save enough to be financially secure throughout retirement.

70%

consider their job at least somewhat risky in terms of potential exposure to people who may have COVID-19.

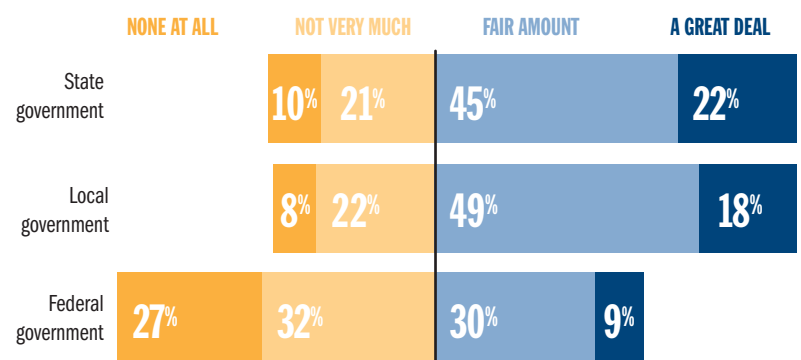

53%

agree that they have been able to get the help, information, and resources they need to make smart financial decisions during the pandemic and related economic crisis.

TRUST IN GOVERNMENT LEADERS TO MAKE APPROPRIATE DECISIONS ABOUT EMPLOYEE SAFETY DURING PANDEMIC

FEELINGS ABOUT WORKING IN PUBLIC SECTOR DURING COVID-19

Information for this infographic is excerpted from an online survey of 1,008 full-time state and local government employees, fielded by Greenwald & Associates from May 4 through May 20, 2020. Final data were weighted by gender, age, household income, and industry type to reflect the distribution of the state and local government workforce as found in the U.S. Census Bureau's Current Population Survey.
